STAGE 1: Application for admission to the Winter Term 2025/2026 on C@MPUS - online application portal

1. Higher education entrance qualification

Please upload your higher education entrance qualification. A foreign higher education entrance qualification is the formal term for your "School leaving certificate", for example, a high school degree or a university admission test. Generally, all the requirements that students have to fulfil in their home country to be admitted to study an academic subject at a university also applies in Germany.

For applicants from Iran: the higher education entrance qualification is your Iranian University Entrance Exam, also known as the Concours. For more information, please check the following link: <https://www.uni-stuttgart.de/en/study/application/first-semester/qualification>

If such exam is not needed in your home country, then skip the online submission of this document.

Only pdf files are accepted.

2. Bachelor's /Master's Degree Certificate

This requirement only applies if you have already completed a Bachelor's Degree program. Please upload a valid degree certificate (original or original certified copy, officially authenticated) and its translation, if applicable.

In case you have additional university degrees (e.g. Master or Diploma), please upload here the certificate of the degree which you are using as entrance qualification for this specific Master program.
